Marriage ON COURSE

Intentionally aligning your
marriage with God's unique plan
and design for you.

In your Marriage...

Are you COMMITTED to each other?

Do you DESIRE to please God?

Do you desire a future filled with PURPOSE?

Marriage On Course is a concentrated but comprehensive tool for creating an intentional approach to aligning your marriage relationship with God's unique plan and design for you as a couple. As little as 24 hours can change your future trajectory.

For some couples, this will mean a course adjustment or correction, and for others it may look more like charting a new course altogether. The point being, that there really isn't a bad time for any of us to stop and evaluate where we are today and where we are going.

We believe this could have a dynamic influence on your marriage, family and generations to come.

Our desire is to help people live purposeful and influential lives across the full spectrum of life.

What to Expect...

Your 24 hours will run Friday through Saturday beginning in a comfortable venue with a small group of married couples. We recommend that each couple schedule the remainder of the day (if possible) to prayerfully work through their whiteboard exercise.

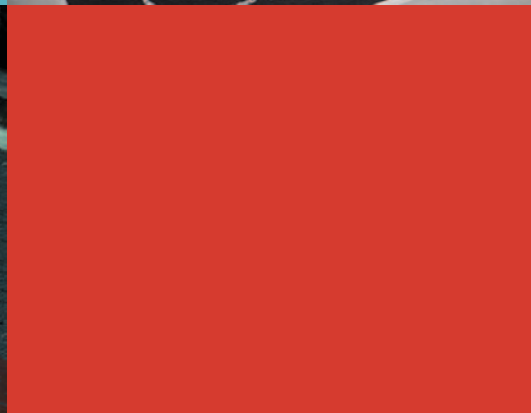

1. The purpose of marriage seen through a Biblical lens.
2. How to live out marriage skilfully and with influence in our world today.
3. Demonstration of a dynamic whiteboard exercise to define your current reality and chart a course to a faith-filled future.

Finally, your day will end up with you and your spouse finding a quiet place to whiteboard your marriage and future plans. You will consider:

1. Your current reality.
2. Opportunities that are on your doorstep.
3. Encouraging words that people have spoken into your lives.
4. Old paradigms that may limit your desired future.

2-2-2 Coaching...

We offer the opportunity for you and your spouse to book private, marriage coaching sessions as a followup to Marriage On Course. The bonus of coaching is that you never have to leave your home to participate as we can meet via phone / skype / facetime / etc. Contact us if you'd like more information..
